Adjournment of General Meeting

23 January 2012

Further to today's earlier announcement regarding the suspension in trading in the Company's shares on AIM pending clarification of the Company's financial position, the directors of the Company ("the Board") announces that the General Meeting to be held 12.00pm on 25 January 2010 has been adjourned to 12.00pm on Wednesday 8 February 2012 at the offices of Memery Crystal LLP, 44 Southampton Buildings, London WC2A 1AP.

The General Meeting had been convened to approve the sale of part of two of the Company's subsidiaries, BGC Limited and Fenhams Limited as well as to approve the cancellation of Company's trading facility on AIM.

The Company continues to discuss with its creditors in order to minimise the financial uncertainty the Company and its subsidiaries are facing. The Board is holding further discussions with its advisers regarding the most appropriate course of action.

Due to this process, the proposed cancellation of the Company's trading facility on AIM will be postponed until further notice.

Further announcements will be made in due course.
